5th Annual Kilanerin.com Poetry Competition 2015

BOOKS

By Ali Bushe
(Ballythomas School)

I walk up to the library
And open a new book
I read the first few sentences
And suddenly I'm hooked

I'm flicking through the pages
Thinking "What a great creation"
I could read books all day
For I live in my imagination

Reading is my escape
From this big and busy world
I love books too much for words
I'm just a reading type of girl

The year is new
We must pack our
But we'll leave
memories
Of the friends we

A good friend is who we turn to,
When we are down and need a lift,
A person who we treasure,
True friendship is a gift.

THE SUMMER HOLIDAYS

By Caitlin D'Eath
(Ballyfad School)

It's the end of school year;
It's time to cheer the summer holidays are here
Plenty of days to laze in the sun,
meeting friends and having fun.
Barbeques and picnics
ice-cream galore,
let's go to the beach
and play by the shore.

THE SUMMER

By Cian McDonald
(Kilanerin School)

I can't wait for Summer,
I really can't wait,
I can catch a pike,
Ride a bike.
I can go for a sail,
Jump on bales,
Climb a tree,
Fill with glee
Forget it
I'm staying in bed.

HAIKU

By Leah Doyle

I went for a walk
There were lots of animals
They were very big

By Elsa Hughes

I love the sign of Summer starting,
Getting up off the couch and going go karting,
Taking out the shorts, putting the hoodies away,
The smell of the grass getting cut on a sunny day.
Summer is the best.

BOOKS

By Ali Bushe
(Ballythomas School)

I walk up to the library
And open a new book
I read the first few sentences
And suddenly I'm hooked!

I'm flicking through the pages
Thinking "What a great creation!"
I could read books all day every day
For I live in my imagination.

Reading is my escape
From this big and busy world
I love books too much for words
I'm just a reading type of girl.

Congratulations to the 2015 winner Ali Bushe for her poem 'Books', and to the runner-ups Cian McDonald, Patrick Leonard and Matthew Quinn.

The judge this year was John Wyse Jackson. John can be found most days in Zozimus Bookshop, in the Book Café in Gorey. He has written and edited many books, including four collections of poetry. Quite a few of his own poems (often very silly ones!) have also been published in magazines and other places. Visit John in his bookshop or www.zozimusbookshop.com to find out more.

Note from the Judge

Although all the great poems here come from schools, poetry shouldn't be trapped in classrooms. In fact, my favourite verses nearly always contain a surprise or two – and some of them can even be quite rude! I was delighted to be asked to judge this year's crop – and was very pleased to find lots of surprises. I hope that one or two of the young poets printed here will carry on working with words in their next school (and even in the holidays...) Who knows where it all might lead?
